Pat, I posted to you under Bolin in Surnames but here goes again. I am searching for a Bolo? that married J W Tiner about 1853, listed in 1860 Neshoba cens with sons Rufus T & Theophilus, ages 5 & 3. Martha was born in Ms but parents from Ala. I am not sure of the spelling because no one has seen it written. Pronunciation was Bolo but my grandf had a strong Irish brogue so spelling could be anything. Any help would be appreciated. Martha was listed in the 1880 Newton Co census as a widow.

Thanks
Ouida

SUBJECT: SCOTS RESEARCH HELP!

For anyone who is researching in Scotland, there is a company called Unicorn Unlimited which has a service they call Scotcopy, thru which they will make spira-bound xerographic copies to your individual order of out-of-print, out-of-copyright books. They sent me a copy of their catalog and it is a Scottish genealogist's dream and the prices are extremely reasonable - the 1856 book by David Peter of 396 pages of"The Baronage of Angus and Mearns, Comprising the Genealogy of 360 Families" for 39.95. Other genealogy books available are on the Murdochs of Cumloden, the house of Hanna, the Baillies of Inverness, Frisel/Fraser, Cameron, MacBeth, Kerr, DeQuency, Duff, Irvine, the historical families of Dumfrieshire & the border wars, Skye pioneers, Scott, lists of prisoners taken in the Jacobite rebellions, Gordon, Sutherland, Caithness, Munro, Culdees, etc. I think you probably get the idea!

They offer a membership in their Scots Library which gets you preferential treatment in printing and a discount, etc.

These folks can be contacted at:

Unicorn Unlimited
P. O. Box 397
Bruceton Mills, WV 26525
phone: 304-379-8803; fax: 304-379-8923

They only provide their Scotcopy service during the off season of Scottish games (which is where I first got on their mailing list.) and their cutoff for orders is May 15. This looks like a fantastic genealogy resource - makes me wish I were Scottish so I could order something! Hope this helps someone! Happy hunting! ...Dot Clark

Dear Jan,

I'm terribly sorry to have been so long in answering your April 15 letter. It was misled and I'm trying to fill in what information I can on the Tyner-Tiner family in Wayne County. They are somewhat of a mystery.

It seems that Joseph (b. 1816 SC) probably married a second time to Elizabeth "Malissa" Kelley, ca 1852, believed to have been the dau. of David Kelley and wife, Jane _____ (?) who later married a Beach (Veach in your printout). We don't know what happened to first wife, Sarah. Malissa's sons, Joseph and Dick (also shown in Jane Beach hh in 1850 as Josiah and Elias were in the Joseph Tyner hh by 1853 (tax record) if I am correct in my research. The Tiners here have confirmed that Malissa was a Kelley. Very little is known about their history. Elias (Dick S. or Dixon A.) was known as Dick. The family thought he was named Richard. The S. has never been accounted for. He is believed to

have actually been the son of Joseph Tyner, who is said to have had a flair for women in his younger days. You will note he Elias had a brother named Josiah (?) in the Beach hh in 1850 and "Joseph" in 1860 Tyner hh. It is interesting and elusive.

In regard to the other Tyner - ~~Tyners~~ in printout: Martha md. Moses J. Lovett
Eliza (Elina?) md. Martin L. Busby - (Perhaps she was Sarah Eliza) but dates are uncertain

William Tyner m- Lucinda Webb B- 1823
(lived in Itawamba Co. Ms.) 1860 Census

James K. Polk Tiner B-1847 m- Louisa Gr. Pittman
Clark Co. Ms.

(John D. Tyner b- Ga. (?) m- Sarah _____
They lived in Jasper Co. Ms.)

Thanks for the Shirley cnty. info.

Hope to see you again sometime. Call me when you are coming to W'boro if I can be of any help.

Can you send a printout on Busby, Purvis, Henry, Lovett or Jones? I may be able to help on some of these?

Sincerely,
Betty Tyner
